Shazada Hayat Said :

God Intervenes to Defeat President Donald Trump

The injustice suffered by humanity throughout the world because of President Donald Trump's four years of indiscriminate and careless attitude to orchestrate and then stand by to see the defenceless suffer persecution. However, as a result God has intervened to defeat him. Shazada Hayat President UICF (UK) and international community welfare activist has predicted and forecasted before the US election began that President Donald Trump was destined for a defeat.

Shazada Hayat said,

Throughout history whenever tyrants and unjust rulers brought injustice and a barbaric reign of terror, then God directly intervenes to defeat the transgressor. This was the case when the Pharaoh (Feron), pushed Prophet Moses (Musa PBUH), to the edge of the sea and to the point of no return then divine intervention took place. The Pharaoh was made an example of for eternal history. Similarly, when the Romans went too far with their injustice and barbaric behaviour against Jesus (Isa PBUH) and his followers, again divine intervention took place;

The Pharaoh was made an example of for eternal history. Similarly, when the Romans went too far with their injustice and barbaric behaviour against Jesus (Isa PBUH) and his followers, again divine intervention took place; the mighty Roman Empire crumbled and was brought down to its knees and out of existence. When Abraha's Army came to invade Ka'ba, God intervened by sending Ababeel (small birds), destroying the mighty Abraha's Elephant Army.

President Donald Trump instead of behaving as a president of the United States a nation that prides itself in valuing freedom of speech and liberty, he did not act in the national interest of the United States of America but acted for his own personal interest and destructive ulterior motive. Dividing the American nation President Trump created divisions between black and white and discrimination against and between faiths, victimising Muslims and spreading Islamophobia. Never has so much unrest been witnessed in the history of America as it has been in the four years of the reign of President Donald Trump, said Shazada Hayat.

On foreign policy President Trump took the world to the verge of unimaginable destruction and mayhem. President Trump in partnership with Israeli Prime Minister Benjamin Netanyahu together conspired to encourage Saudi Arabia and Iran to enter a full-scale war of destruction, so that the entire Middle East is destroyed with millions and millions of Arabs dead and destruction that would take the Middle East back to the dark ages.

President Trump and Prime Minister Netanyahu have nurtured, groomed and hypnotised the Crown Prince of Saudi Arabia Mohammed bin Salman to carry out their sinister and destructive plan, which was to turn the Middle East into hell on earth.

President Trump unjustly banned Muslims from entering America, This was seen by the world as a flagrant discrimination against the Muslim faith, bringing shame to the great American nation. Even the ruthless tyrant Adolph Hitler despite all his barbaric and ruthless actions never banned any faith from entering Germany during his Nazi rule.

President Trump did not care about humanity or peace and prosperity or have any interest in humanity or foreign policy. He ignored the plight of the suffering people of Palestine, the people of Kashmir, the Rohingya refugees and the Uighurs in China. President Trump gave a false sense of security and a hand of false friendship to the Indian Prime Minister Narendra Modi. This was to encourage Prime Minister Narendra Modi to take India into a full-scale war with China.

President Trump wanted to see China and India destroy each other out of existence as he saw both India and China as the biggest and greatest threat to the American economy. Prime Minister Narendra Modi was hoodwinked and hypnotised by President Trump, Prime Minister Netanyahu and the French President Emmanuel Macron. The three made Prime Minister Narendra Modi believe that if

a pelican bird can swallow a fish whole, so it can also swallow a whale because both belong to the fish family. Prime Minister Modi was ready and prepared to sacrifice India for the aims and objectives of President Trump and Prime Minister Benjamin Netanyahu, said Shazada Hayat.

The irony is how could Prime Minister Narendra Modi failed to have realised the fact if President Donald Trump can and has betrayed Pakistan a great non-NATO ally country, then how can President Trump ever be an ally of India, which throughout the cold war was the staunch ally of the Soviet Union.

The fact is President Trump wanted to destroy China by using India. President Donald Trump's vision and sinister aims, objectives and plans during his four-year reign was to destroy the world and slaughter innocent people beyond comprehension. President Trump was fully supported by Prime Minister Netanyahu, the Saudi Crown Prince Mohammed bin Salman, President Emmanuel Macron and Prime Minister Narendra Modi. Since President Donald Trump is now defeated the demise of those who were his fans and supported his conspiracy of injustice and destruction of the world is certain.

The defeat of the outgoing President Trump is a great victory for the people of the Middle East, the people of Iran, Asia and China and most certainly a great victory for the American people. If President Donald Trump was allowed to win the election the third and final world war of Armageddon was imminent and certain. The loss of life on earth and destruction would have been beyond human imagination and comprehension. That is the reason God has intervened to make sure Donald Trump was defeated to save humanity and the world. The faithful's around the world are grateful to God for granting their wishes and upon learning that Donald Trump was defeated they shouted at the top of their voice "God is Great", said Shazada Hayat.
